

Dear Parent(s)/Guardian(s),

I am extremely excited to introduce myself as your child's new teacher. My name is Mrs. Jessie Vereen and I have a Bachelor of Science Degree in Elementary Education with a minor in Psychology from Francis Marion University (Florence, South Carolina). I am very excited about working with your child. I love teaching, and I am a firm believer that all children can learn. My main goal for the year is to assist students in excelling socially as well as academically. My plan is to implement lessons that will foster and nurture the children's' learning, giving them a head start toward succeeding in the future. I am and have always been very dedicated to my school.

It would be greatly appreciated if you would stop by the classroom one day soon after school starts for a brief face-to-face introduction. However, if at any time you ever have any comments, questions or concerns, I am available for phone calls and meetings (by appointment please) each day before and after school. To schedule a meeting, you may contact me via jgreen@questinc.org.

Below is a list of school supplies that will be needed to start off the school year, if you could participate by helping me to obtain these items, it will be greatly appreciated.

School Supply List:

- Crayons
- Play-dough
- Water paint
- Gummies
- Elmer's glue/Glue sticks
- Ziploc plastic bags
- Small cups
- Roll of paper towels
- Hand Sanitizer
- Clorox/Lysol disinfecting wipes

I am excited about working with your child. I welcome questions or comments, and I am looking forward to a great future!

Thanks in advance,
Mrs. Jessie Vereen
